

10 cm

A horizontal dimension line with arrows at both ends, indicating a width of 10 cm.

15 cm

A diagram of a T-shaped figure. The top horizontal bar has a width of 10 cm. The vertical stem has a height of 15 cm, measured along its right edge. The stem is tilted at an angle relative to the horizontal bar.

A diagram of a T-shaped figure. The top horizontal bar has a width of 10 cm. The vertical stem has a height of 15 cm, measured along its right edge. The stem is tilted at an angle relative to the horizontal bar.
